ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged,

Daniel YELLIN of 13 Erez Street, Karmei Yosef 99797, Israel;

hereby sell, assign and transfer to DSPC, Israel Ltd., an Israeli company, having a place of business at 11 Ben Gurion Street, Givat Shmuel 51905, Israel, its successors and assigns, the entire right, title and interest throughout the world in our invention entitled:

METHOD AND DEVICE FOR QUANTIZING THE INPUT TO SOFT DECODERS

the specification of which was filed on June 15, 1998 under Serial No. 09/103,683, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; we authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from us; We agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, their successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and we request the Commissioner of Patents and Trademarks to issue all patents granted for said invention to the above-named assignee, its successors and assigns.

**ASSIGNMENT OF PATENTS BY DSPC ISRAEL LTD.
TO D S P C TECHNOLOGIES LTD.**

WHEREAS, DSPC Israel Ltd., a limited company of Israel, having offices at 11 Ben Gurion Street, Giv'at Shmuel, Israel ("DSPC Israel"), owns, by assignment, all right, title, and interest in and to the U.S. Patents and Patent Applications listed in Attachment A, the inventions disclosed and claimed therein, and all foreign patents and applications that rely thereon for priority ("the Patents"); and D S P C Technologies Ltd., a limited company of Israel, having offices at 11 Ben Gurion Street, Giv'at Shmuel, Israel (DSPC Technologies), desires to own DSPC Israel's entire right, title, and interest in and to the Patents in all countries throughout the world.

NOW THEREFORE, be it known that, for good and valuable consideration, receipt of which is hereby acknowledged, DSPC Israel hereby sells, assigns, transfers, and sets over to DSPC Technologies, its lawful successors and assigns, DSPC Israel's entire right, title, and interest in and to the Patents; the inventions claimed therein, any other patent application directed to the inventions, and all Letters Patent of the United States that may be granted thereon, and all reissues, reexaminations, and extensions thereof; and all rights to claim priority on the basis of such application, and all applications for Letters Patent that may be filed for the inventions in any foreign country and all Letters Patent that may be granted on the inventions in any foreign country, and all extensions, renewals, and reissues thereof; and DSPC Israel hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to DSPC Technologies, its successors and assigns, in accordance with the terms of this Assignment;

AND, DSPC ISRAEL HEREBY further covenants that DSPC Israel has the full right to convey the interest assigned by this Assignment, DSPC Israel will take all action and execute all documents necessary to perfect the interest assigned hereby, and DSPC Israel has not executed and will not execute any agreement in conflict with this Assignment;

AND, DSPC ISRAEL HEREBY further covenants and agrees that DSPC Israel, through its officers and employees, will, without further consideration, communicate with DSPC Technologies, its successors and assigns, any facts known to DSPC Israel and its officers and employees respecting the inventions and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver all papers that may be necessary or desirable to perfect the title to the invention in said DSPC Technologies, its successors and assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths, and generally do everything possible to aid DSPC Technologies, its successors and assigns, to obtain and enforce proper patent protection for the inventions in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by DSPC Technologies, its successors and assigns.

IN TESTIMONY WHEREOF, each party has caused its authorized representative to execute this Assignment.
